## A Message From Staff

Rabbit class enjoyed a great day at Lackford Lakes on Thursday, exploring the natural environment and habitat. Building on their learning in science and geography, they practised their map skills and enjoyed a bit of pond dipping too! Year 5 enjoyed a sports experience at Westley and Year 6 made us proud too, as they performed their historical play of the story of St Edmund and sang their song that they composed about his story on stage in the Abbey Gardens. This was part of the town's heritage event. Check out the press coverage! <https://www.suffolknews.co.uk/bury-st-edmunds/news/infamous-murderer-led-to-gallows-as-history-is-brought-to-l-9261571/>

We also welcomed our new reception children to visit this week to join us for a stay and play session. We are looking forward to them starting. Mrs Biggs also shared some of the work she has been leading with her children around developing talk as part of the Creativity Collaborative project with other schools across Anglian Learning. All in all, an exciting week, filled with experiences and proud moments!

Next week at Howard.....

Tuesday 5th July– Year 5 /6 girls football event

Wednesday 6th July– Whole school art day, planned by our Y6 Arts Leaders

Thursday 7th July at 2pm– Year 6 Play

## Headteacher Awards

- 20th July– EYFS Picnic TBC
- 21st July– Last day of term

## Stars of the Week

Mrs Downes for going the extra mile with Year 1 outside area.

## Tesco Community Grant

We are very excited to have been nominated for a Tesco community grant. When you are shopping in Tesco, please do vote for us with your Tesco tokens in store from July to September. The more tokens we receive, the more outdoors equipment we will be able to purchase for our children. Please spread the word!

## Keeping safe

We have been made aware that a number of our Year 5 and 6 children have been setting off from home quite early in the morning and not arriving on school site until much later. If you allow them to walk to school by themselves, please ensure that you, as parents, are monitoring this closely.

It is great to see so many of our children keen to ride their bikes and scooters. We ask that children would dismount when entering school site and for the time they are on site. There are lots of people moving around in the same space and we want to make sure nobody ends up getting hurt!

## How to Contact Us

If you need help with devices to support online learning when isolating, advice on how to get online, resources to help your child learn at home or any other support we are here to help. Please speak to a member of staff or phone the school office on 01284 766278.

## Howard is fabulous!

Keep up to date with news about our learning in school, events and activities as they happen, and some useful links

for activities to complete at home, by following us on our social media pages:
