A Message From Staff

It has been a week of magical moments and experiences. Our year 6 girls football team made us very proud by winning all four games in the Bury Schools tournament on Tuesday and not conceding any goals. Year 5 entertained us with a brass ensemble performance, showcasing their musical learning this year and Year 6 performed their Leavers play. It has been so wonderful to welcome our community back in to the building to sit in the audience and support our wonderful children.

Our Year 6 Arts leaders planned and led our whole school art day, based on the theme of Minecraft and it was wonderful to see you as parents and carers coming to share in their art work in a walk through their Minecraft world.

Nurturing and developing skills across the arts is so important and seeing our children unleash their creativity is such a joy.

We welcome Mr Tom Oakley as our new Deputy Head today. He will be around outside at drop off and pick up times and would love to chat to you.

Next week at Howard.....

Tesco Community Grant

We are very excited to have been nominated for a Tesco community grant. When you are shopping in Tesco, please do vote for us with your Tesco tokens in store from July to September. The more tokens we receive, the more outdoors equipment we will be able to purchase for our children. Please spread the word!

Keeping safe

We have been made aware that a number of our Year 5 and 6 children have been setting off from home quite early in the morning and not arriving on school site until much later. If you allow them to walk to school by themselves, please ensure that you, as parents, are monitoring this closely.

It is great to see so many of our children keen to ride their bikes and scooters. We ask that children would dismount when entering school site and for the time they are on site. There are lots of people moving

How to Contact Us

If you need help with devices to support online learning when isolating, advice on how to get online, resources to help your child learn at home or any other support we are here to help. Please speak to a member of staff or phone the school office on 01284 766278.
