

Owl Class

Spring Term Overview 2

Maths

As mathematicians we will be learning about Place Value, division, multiplication, fractions, length and height.

RE

We will be finding out what Jesus teach about God in his parables and why Christians pray.

PE

We will be outside for Forest Schools on Mondays and inside on Fridays, being dancers and gymnasts.

Music

We will be singing songs as well as composing and performing our own songs.

Geography

As geographers will be out about the human and physical features of our local area.

Art

As artists we will be using different materials to make collages. Will also be painting pictures.

As **scientists** we will be learning to distinguish between different materials and their properties.

Computing

We will be discovering how to stay safe on the internet and how to code.

Moon Zoom School Days.

This half term we are learning about about Space and Space Travel. We will be comparing Victorian Schools to schools today.

History

We will be finding out who Neil Armstrong is and why he is a significant person. We will be investigating schools in the past.

At Home

Please try hard to hear your child read for at least 10 mins a day as this can make a big difference to their learning. Practice counting forwards and backwards to 100. Can you start at different numbers?

Writing

As authors we will be writing stories and as poets, we will be writing our poems. We will be learning how to write non-fiction texts e.g instructions and reports.

PSHE

We will be looking at 'How to keep safe.' We will be thinking about being part of a diverse community.

DT

In DT we will be designing and making rockets.

Reading

As book lovers we will have a guided reading session with our teacher each week as well as reading to an adult individually. We will be practising our phonics everyday. We will be listening to and discussing different stories, poems and information texts.

Class Information

Reading Books and Library books will be changed on Mondays. P.E will be on Fridays.
