

Ways to help your child...

Please continue to write in their reading journals each time you read at home, This will help to improve their confidence and fluency in reading and writing.

Your child also has log-in details for Teach your Little Monster to Read and Teach your Little Monster Number skills which can be accessed via their website.

RE / PHSE

In PHSE we will be learning about healthy lifestyles and how to keep ourselves safe in the digital world.

In RE, we will be exploring Islam this half term and Christianity and the Easter story next half term.

English

In English, we are delving into the Big Bright Feelings stories by Tom Percival and will write our own story about a big feeling. Following this, we will be learning to write letters.

We have daily phonics lessons along with class reading; focussing on comprehension and fluency.

Science

Our science focus for the first half term will be looking at what plants need to survive. We will experiment how different conditions can lead to different plant growth.

Next half term, we will look at the suitability of different materials for specific uses.

History and Geography

Our topic will be *Gods and Mortals*, focusing on Ancient Greece and looking at Greek mythology. As part of our topic, we will be exploring aspects of Ancient and modern-day Greece, looking at different geographical features and using maps.

Rabbit class

Spring Term

Gods and Mortals

Art and DT

In Design Technology this term we will be making our own shields inspired by the Ancient Greeks.

In Art we will be looking plates from Ancient Greece and making our own using clay.

Music

This term we will be focussing on improvising and composing our own music.

Maths

This term we will be exploring equal groups and shapes. We will begin by looking at the relationships between multiplication and division, and the links between division and fractions. We will also develop understanding of shapes and their properties.

We will also be continuing our practising of times tables. By the end of year 2 children should know x2, x5, x10

Useful info

P.E. kits on Wednesdays and Fridays.

Reading book and journals daily

Library books returned weekly.
