

A Message From Staff

We started off our week with our Computing day where each class tried a computing challenge, as part of our computing curriculum. We saw some great perseverance and motivation from our young people!

It was a wonderful pleasure to take a group of 19 children from Badger class to sing as part of the Singing Schools event at the Bury St Edmunds cathedral with other schools. They sounded amazing and Mrs Hall and I were very proud. Thank you to all the parents who came to support your child.

Children in years 1 and 2 have been busy completing their phonics checks this week. Mrs Downes is very pleased with their reading, as they put into practice the skills they have been learning.

The building work, as part of our refurbishment project, will be starting shortly and, for the next few weeks of term, Owl class and Hedgehog class will be temporarily relocating to other parts of the school. Letters will be coming out with the details and timings of the changes that affect your child.

Next week is Active Week and we look forward to welcoming you to join us for sports day next Friday on the field. Please see the letter for details of when your child will be involved.

Mrs Weir

Next week at Howard....

Monday 19th June - Professional Day. School closed for children.

Tuesday 20th - Fri 23rd June— Active Week

Friday 23rd June - Sports Day

Saviour Pirotta

Once
Morris Gleitzmann

Dates for your diary

19th June— Staff training day

23rd June— Sports Day

28th June and 5th July—

Move up days (R-Y5)

Mr Chaplin for all his work behind the scenes on organising for our refurbishment work.

Attendance

This week 92.2% of our children attended school. It has been lovely to see you all. Do let us know if we can help in any way.

Please note that we are unable to authorise term time holidays according to government guidelines and penalty fines may apply.

SEND News from Mrs Wakeman

First to let you know that APDR plans are being reviewed over the next couple of weeks. You will receive a copy of the reviewed targets and then invited in to discuss the new ones for your child. We would love to hear your input into forming these new targets.

This week I would also like to share some useful courses that you might want to attend that help with a range of issues. Please see next page for further information.

How to Contact Us

If you need help with advice on how to get online, resources to help your child learn at home or any other support we are here to help. Please speak to a member of staff or phone the school office on 01284 766278.

Class teachers can be contacted via class emails e.g. otter@howardprimary.org for Otter class, badger@howardprimary.org for Badger class.

Howard is fabulous!

Keep up to date with news about our learning in school, events

3rd July 2023 – 13:00 [Book here](#)

This workshop covers child brain development including the impact of relationships in early childhood and changes in adolescence. The workshops will also explore neurodiversity in brain development.

8th August 2023 – 18:00 [Book here](#)

When distressed, neurodiverse children and young people may show behaviours that challenge the adults around them. This workshop explores how to understand behaviour and how parents/carers can support their neurodiverse children with behaviours of distress.

7th September 2023 – 13:00 [Book here](#)

Scan the QR code to find out more and book a place on a workshop or visit www.eventbrite.co.uk and search for Psychology in Schools Team - NSFT
