A Message From Staff

There has been a lovely buzz around the school this week with lots of different events happening. As well as the remainder of the trees for our Healing Woods being planted at the beginning of the week, Fox class have been busy with their art workshop and class assembly this week. Focusing on the characteristic determination, it was a delight to hear from our year 6 students about the determination shown by inspirational figures like Malala and Jesse Owens. We were especially proud of how Fox class have been inspired by these role models and were brave enough to share with the school what they were now determined to do. **#aspiration**

As always, it was a joy to welcome parents in to school for our parents evening and to witness the beaming smiles and pride of our pupils and their parents as they talked to teachers about their progress. **#community**

Looking forwards, a quick reminder that we do still have some nursery places available from September. Contact Mrs Biggs via the school office for more information.

With our annual Easter egg hunt fundraiser coming up, we are asking for donations of easter eggs. Please drop them in to the school office. **#experiences**
