A Message From Staff

Otter and Fox class have been out and about this week with lots of different learning opportunities. On Tuesday Year 5 were invited to a Skills Escalator Day at West Suffolk College, where they learned some new skills in bricklaying and building simple circuits like an electrician would. Two of the girls decided that they wanted to be electricians when they are older.

On Wednesday Fox and Otter enjoyed a great trip to the Kinetic centre in Ipswich as part of their learning this year around space. Although a long day, they thoroughly enjoyed it and returned buzzing with excitement.

On Thursday Year 5 went to County High for a science and history workshop. They were delighted to excitedly tell me all about the Spectroscope that they made using a CD to see the spectrum of light. A highlight was the history workshop where they had to convince the rest of the class that their explanation for their historical object was true. Some memorable and fulfilling experiences for our children!

Today is a emotional day as we say goodbye to Mrs Davis, our student social worker, as she finishes her placement with us. Although she has been with us a short period of time, Mrs Davis will be hugely missed by pupils, staff and parents. We wish you all the best for the next steps.

On Monday we shared the exciting news that paralympian Sean Rose will be coming to visit us in Active Week later in June. We will be taking part in a sponsored fitness challenge and sponsor forms will be coming home after the half term break. *Mrs Weir*

Star of the Week

Mrs Walker for her trip organisation and support this week!

Attendance

This week 92.4% of our children attended school. It has been lovely to see you all. Government expectations are 96% attendance for every child.

Please note that we are unable to authorise term time holidays according to government guidelines and penalty fines may apply.

Wishing you all a relaxing half term break!
