A Message From Staff

Thank you to all who helped organise our swap shop this week, including those who stepped in at the last minute. Thank you to all who donated items. Thank you to all those who have been regularly sorting the donations into sizes when they arrive over previous weeks. There is a proverb which says it takes a village to raise a child. At Howard we have a great **community** and events like our swap shop and our well-attended reading cafes just show how our community can come together to help each other and support our children in a wonderful way.

Today we hosted the annual Bury Sports Partnership cross-country running event. As ever, our team made us really proud. There was a lovely, supportive atmosphere between all of the schools taking part and I know some of our younger children told me today that they can't wait until they can take part! An exciting **experience** for those involved and we are very proud.

Please note that from now on we will no longer be using the social media platform X, but will be continuing to use Facebook to share our news.
