A Message From Staff

As I write, we are preparing for our Whole School reward treat of a dress up day and cinema that the children have earned for all of their positive behaviour class points that they have earned. We have been edging towards our target of 10,000 points for the last few months so the children were delighted to have reached the target. Each time the children earn a star in class or earn a pom pom for their reward bucket, it adds to the total number of class points. Our school council helped chose the reward and will be consulting with their classmates again to choose their next reward to work towards. The children have worked together as a whole school team, so well done!

It is always great to have parents join us in school and share in the joy of learning. This week Hedgehog class shared their learning about friendship as part of our wellbeing curriculum,

Badger class welcomed parents in for their art workshop and families joined us for our first family numeracy session. It was great to see our children's enthusiasm!

We have been celebrating the diversity of different languages and cultures represented in our school through our Day of Welcome celebrations. This is an opportunity for us to celebrate and welcome our international community from all over the world, along with many other schools around East Anglia.

Finally, we prepare to say goodbye to Miss Limmer who has been working with us in Badger class as she heads off on some international travel. Her last day with us will be next Friday and we wish her all the best in her next steps.

Attendance

This week 93% of our children attended school. It has been lovely to see you all. Do let us know if we can help in any way.

Please note that we are unable to authorise term time holidays according to government guidelines and penalty fines may apply. **NEW RULES APPLY.**

SEND News from Mrs Wakeman

This week I would like to share a course that you may find useful advertised by SENDIASS.

This session is for families, hosted by SENDIASS and delivered by specialist teachers from the Speech, Language and Communication Service which lies within Suffolk's Communication and Interaction service.
