A Message From Staff

Welcome back to a busy Summer term! There are lots of things happening over the next few weeks, starting this week with our parent art workshops. Rabbit class enjoyed seeing their adults in school on Thursday afternoon. Our children love sharing their learning with those close to them and benefit hugely from these shared opportunities, so thank you all for supporting your child in this important way.

We are so grateful to the Arts Society in Bury St Edmunds for funding Year 3 to take part in a workshop with Ricki Outis, a local textile artist this week. The children loved learning to do some wet felting and sewing to create amazing masks. Our school has great **community** links and it is wonderful to see such partnerships grow.

It has been great to see some parents in this week, taking part in the cooking course run by Realise Futures. Howard Community Academy is truly at the heart of our community and we love that our families are so involved.

Gardening club have been busy and were delighted to have their tomato plant sale just before the half term break. They raised £26.60 which has gone to buy more supplies for the club— gardening gloves and watering cans for the children to use. Thank you for supporting them.

Finally, we are delighted to share that we have secured wraparound after school care provision for next academic year. Watch this space for more details in upcoming weeks.
