

Physical Activities

How long can you balance using different number of body parts. For example, 2 feet and 1 hand or 1 foot and 1 hand.

Science

Draw where you will find wild animals in each season.

History

What is your date of birth?
Who is part of your family?

Music

Developing listening skills.

What can you hear;
As you get ready for school?
When you play outside?

Autumn 2 Term Homework

DT

Follow a recipe to make your favourite party foods.

English

Listen to your child read at least 4 times a week, remember to sign in their reading record.
You could read a bedtime story, your class library book or your school reading book.
Help them to learn 'tricky words' in their books.

Wellbeing: Calm

Go for a seasonal walk with your child, notice the changes you can see and hear as we move from Autumn to Winter.

Maths

Year 1 - Help your child learn all the different ways to make all numbers up to 10.

Year 2 - Help your children to understand a two digit number is made up of tens and ones.

We will be learning about subtracting and adding with these numbers
