ANGLIAN LEARNING

Howard Community Academy 6.11.26 Issue #08

This Week at Howard Community Academy

This week has been full of exciting learning and great progress. We're proud of our children for their effort and enthusiasm in every activity. Here's a quick look at what we've been up to:

Wellbeing

Every class has been learning about their wellbeing characteristic as part of our wellbeing themed day. Learning about being calm, kindness, being successful and being brave are such important life skills.

Our SEND coffee information mornings for parents have restarted this week. Watch this space for details of the next meeting.

Spotlight on....

Our reading star champions for Autumn 1. Congratulations to....

Eyan		Morgan	Harry P
Josie	Cole	Athena	Daniel V

Staff star of the week

Miss Benjamin for being our art cupboard fairy!

Reminders

Please ensure your child has appropriate PE kit and removes all jewellery for PE.

Please ensure that your child leaves toys at home as these can be a distraction in class.

Please read with your child as often as possible. It benefits them in so many ways!

A note from Mrs Weir

Although it has been a shorter week for our children, there has been a lot of learning in these four days!

A wellbeing themed day for all children started our week off in class on Tuesday. The children worked together to think about what is important as we grow. Ladybird and Owl thought about friendship and the important qualities linked with being a friend- such an important life skill!

Year 6 built on their learning through their residential trip experience. With a clear focus on working together as a team to support and encourage each other with challenges, the children overcame some of their fears in trying out new activities- canoeing, caving, climbing and giant zip line through the forest to name a few! What really impressed us was the camaraderie and willingness to support each other through encouragement. A few team challenges also kept them on their toes with lots of healthy physical exercise. Mrs Spall, Mr Copsey and I were so proud of them all, living out our Howard principles of safe, calm and respect.

Our work on the Arts at Howard is a big focus and we were delighted to take part in a promotional video for the Doorstep Theatre productions project in conjunction with our friends at the Theatre Royal. We look forward to sharing our experiences with other schools across Suffolk through this work.

Dates for your diary

9.11.26 Kingfisher to culinary workshop
9.11.26 Owl art workshop
10.11.26 Ladybird and Hedgehog art workshops
10.11.26 and 11.11.26 After school family cooking

23.11.26 Badger to culinary workshop
14.12.26 Badger art workshop
15.12.26 and 16.12.26 Christmas concert
17.12.26 Christmas lunch
18.12.26 Last day of term

SEND news from Mrs Whiting

This week I would like to point out a useful course that is being offered by SENDIASS.

It concerns Supporting children and Young people to manage their emotions. It is being held online on Thursday 3rd December from 10.00 to 11.30.

Here is the link to book a place-Supporting children and young people to manage their emotions Tickets, Thursday 3 December • 10 AM - 11:30 AM GMT | Eventbrite

Spotlight on attendance

Families, thank you for your continued encouragement at home in bringing your children to school. It has been lovely to see you all and it truly makes a big difference in your child's learning and confidence.
This week's average attendance was 91.3%. The government expectation is that your child attends school for at least 96% of the school year so that they can learn.
Please note that we are unable to authorise term time absences and penalty fines may apply.

Let's keep building great habits and learning together!

Keep up to date with news about our learning in school, events and activities by following us on social media:
